Narrative			
<p>On 10/24/05 I was dispatched to [REDACTED] Dr on a check welfare. A neighbor who wanted to remain anonymous reported she can hear banging and the sounds of a female and a child crying. Complainant stated she believes there maybe a physical dispute going on.</p> <p>Prior to my arrival East Hartford Dispatch informed me there is a history of domestic disputes at the above address and there is an active warrant out of HPD for a party known to the address, Vincent [REDACTED] D.O.B [REDACTED] /76. East Hartford Dispatch also informed me there was a protective order on file listing [REDACTED] as the defendant and [REDACTED] as the victim.</p> <p>On my arrival I knocked on the front door an a male voice from within stated "Who is it". I could tell the voice was coming from right behind the door. I stated "Police". Several moments passed and I knocked on the door again and stated "Police". After a short period a male who was later identified as Vincent [REDACTED] opened the door. I asked [REDACTED] if there was a dispute going on and he stated no while stepping back into the apartment as he motioned me in. As I enter the apartment I could smell what through my training and experience I suspected to be burnt marijuana.</p> <p>I asked [REDACTED] what his name was and he stated Vincent [REDACTED]. [REDACTED] then yelled up stairs to a female who was later identified as Madline [REDACTED] stating to her "Yo the cops are here". Ofc. Fox who had arrived on scene as a back up officer went up stairs to conduct an interview with [REDACTED].</p> <p>At this time I asked [REDACTED] if he had any ID on him and he stated no. [REDACTED] appeared very nervous and kept trying to leave the room and enter the kitchen area out of my sight. Due to the nervous manner in which [REDACTED]'s was acting I conducted a pat down for weapons. As I conducted a pat down I felt a knife in the right pocket of [REDACTED]'s coat. I removed the knife, a black handled four inch kitchen knife. I asked [REDACTED] why he had the knife in his pocket and he stated "Oh because I smoke" and pointed to the coffee table at a pack of cigars. Next to the cigars was what through my training and experience I suspected to be a marijuana cigarette which is commonly known as a "Blunt". As I continued my pat down I felt what I suspected to be an ID card in [REDACTED]'s back pocket. Removing the ID, CT photo ID card [REDACTED] I confirmed the male I had been speaking with was Vincent [REDACTED] not Vincent [REDACTED] as first [REDACTED] stated.</p> <p>Ofc. Fox and [REDACTED] came down stairs and Ofc. Fox informed me [REDACTED] had identified the male as Vincent [REDACTED]. I informed Ofc. Fox the male was identified through his CT photo ID as [REDACTED].</p>

**Narrative**

Vincent [REDACTED]. As I advised this to Ofc. Fox [REDACTED] became irate.

I informed [REDACTED] I had located marijuana on her coffee table. [REDACTED] stated as she looked at the marijuana "Oh that fucking shit, I don't give a fuck take me to jail I'll get right out anyway"

[REDACTED] went on to call Ofc. Fox, Ofc. Camp and myself among other things "White bitches", "White pussy cops" and "Fucking white pigs". I ask [REDACTED] if she had any ID and she stated "Of course I do it's my fucking house isn't it". I asked [REDACTED] to retrieve her ID and she went up stairs along with Ofc. Camp. Abreu returned shortly after and began to yell, calling me a "Fucking white ass bitch" At this time I advised Ofc. Camp, who was standing near [REDACTED] to take her into custody. I observed Ofc. Camp attempt to place [REDACTED] in handcuffs and for [REDACTED] to pull away striking Ofc. Camp in the face. As Ofc. Camp continued his effort to place [REDACTED] in handcuffs, Ofc. Fox attempted to assist Ofc. Camp by restraining [REDACTED]'s other arm. As Ofc. Camp and Ofc. Fox struggled with [REDACTED] my attention was drawn to [REDACTED], who had gotten off the couch and attempted to go toward Ofc. Fox and Ofc. Camp, [REDACTED]'s mother Madeline [REDACTED] who holding was holding [REDACTED]'s son [REDACTED] was also attempting to intervene and I had to tell Both [REDACTED] and [REDACTED] to stay back, at points holding them back..

After a short struggle Ofc. Camp and Ofc. Fox were able to place [REDACTED] in handcuffs. As [REDACTED] was lead out the door she kicked the metal storm door, breaking out he bottom panels.

[REDACTED] continued to swear and yell as neighbors in the complex came outside, alarmed at [REDACTED]'s behavior. [REDACTED] was yelling obscenity directed at Ofc. Fox, Ofc. Camp and myself continuing to yell "You fucking white pigs" "You fucking white pussy".

[REDACTED] was placed in the rear of Ofc. Fox's cruiser and transported to EHPD HQ for further processing. While at HQ [REDACTED] began to kick the window in the door of the cruiser causing the window to jump of it's track, damaging the window which will require repair. [REDACTED] began to complain of stomach pain indicating she was eight months pregnant and the police had punched her in the stomach. For precaution [REDACTED] was treated by EHFD Paramedics and transported to Hartford Hospital via ASM Ambulance for further evaluation. [REDACTED] was observed for a few hours at Hartford Hospital, released and transported back to EHPD HQ by Ofc. Daniels for further processing.

[REDACTED] was also transported to EHPD HQ for further processing. The protective order was confirmed which stated among other things that [REDACTED] is not to come within one hundred feet of [REDACTED]. [REDACTED] was charged with violation of C.G.S 53a-223\* and 21a-279(c) and released on a \$6,000.00 nonsurety bound. [REDACTED] was turned over to HPD who had an active warrant for his arrest.

I later contacted [REDACTED] the manger of the Summerfield Town House apartment complex who stated the value of the door was between one hundred and fifty dollars and two hundred dollars. [REDACTED] stated she would like to seek charges against [REDACTED] an recoup the money lost for the damage door.

**Narrative**

Ofc. Fox advised me during his struggle with [REDACTED] he injured his right pinky finger. Ofc. Camp also advised me that during the struggle [REDACTED] hit him in the nose with her elbow and scratched his hand and wrist causing a cut to his right hand. Both Ofc. Fox and Ofc. Camp were treated by the Hartford Medical Group for their injuries. Ofc. Fox was unable to complete his shift due to his injury.

I contacted DCF and spoke with [REDACTED] from the DCF hotline and made a report. I was later met by [REDACTED] a Social Worker with the State of Connecticut Department of Children and Families at EHPD HQ. [REDACTED] stated he wanted to conduct an interview with [REDACTED]. I stood by with [REDACTED] while the interview was conducted. I later accompanied [REDACTED] to [REDACTED] where he removed [REDACTED]'s children and took temporary custody of them.

The suspected marijuana that was located on the living room coffee table in plain view and in control of both [REDACTED] and [REDACTED] was seized, weighed .5 grams, tested using the MARK II System of Narcotic Identification test kit 05 which returned a positive presumption for the presence of marijuana and placed into evidence. The damage to the door at [REDACTED] was photographed along with the damage to window of the East Hartford Police Cruiser. The injury to Ofc. Camps was also photographed. All photos were tagged and placed into evidence.

Ofc. Zavalick informed me he took a sworn statement from [REDACTED] at [REDACTED] about the incident. See attached statement.

I asked [REDACTED] if he saw any police officer hit or assault [REDACTED] while at [REDACTED]. [REDACTED] stated no. I asked [REDACTED] if he would give me a sworn statement which [REDACTED] state he would. I took a sworn statement form [REDACTED], see attached. It should be noted at no time did I see Ofc. Fox and Ofc. Camp hit or assault [REDACTED] in any manner.

[REDACTED] was charged with violation of C.G.S 21a-279(c), 53a-167c ( 2 counts), 53a-167a, 53a-181, 53a-117 ( 2 counts ), and 53-37. End report
